Re: Commerce Energy, Inc. Name Change
Electric Generation Supplier License No. A-110117
Natural Gas Supplier License No. A-125138

Dear Secretary Chiavetta:

Please consider this a request for waiver of the staff's 20 day waiting period after service of a name change request to PECO and the service list parties by Commerce Energy, Inc. ("Commerce") for purposes of changing the name on their electric generation supplier ("EGS") and natural gas supplier ("NGS") licenses at the above-captioned dockets. Commerce Energy Inc. has requested a name change from Commerce Energy Inc. d/b/a Just Energy, to Just Energy Solutions Inc. d/b/a Just Energy.

Attached as Attachments 1 through 6 are verified responsive emails from PECO, the Bureau of Investigation & Enforcement, the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Attorney General Bureau of Consumer Protection and the Department of Revenue Bureau of Compliance indicating they do not object to the requested name change. In addition, enclosed as Attachment 7 is a screen shot from the Department of State's website confirming that Commerce had obtained a d/b/a authorization for the name Just Energy.

Commerce respectfully requests that this waiver be granted and that licenses reflecting the supplier name Just Energy Solutions Inc. d/b/a Just Energy be issued today upon the receipt by the Commission of EGS security in the name of Just Energy Solutions Inc. Thank you for your consideration of this request and please contact me if you have any questions or concerns.

Very truly yours,

John F. Povilaitis

Hi Kristina,

PECO does not object to the Commerce Energy's name change to Just Energy Solutions as long as you can confirm PECO customers have been sent a notification letter and the date of the letter.

In order to change the company name within our internal systems, PECO does require an updated copy of the PUC license. Once received, I will update within our systems.

Good morning Deborah,

As you know, Commerce has recently submitted a request to the PaPUC for a name change from "Commerce Energy" to "Just Energy Solutions." Staff is willing to waive the waiting period and issue the new license if they can confirm that PECO does not have objection to the name change.

Can you please respond to this email that PECO does not object to the name change?

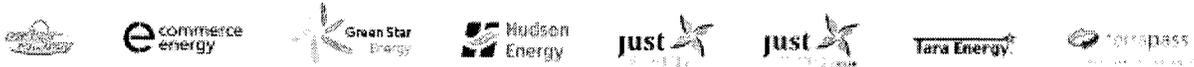

Thank you for your assistance,
Kristina

Mike, I'm writing to request a responsive email of non-objection from your offices on the issue of a name change for Commerce Energy Inc. Commerce is an EGS and NGS that operates only in the PECO service territory. They submitted a request to the Commission for a name change from Commerce Energy Inc. dba Just Energy, to Just Energy Solutions Inc. dba Just Energy originally in January of this year, but did not submit perfected requests until February 6. However, Commerce did not serve your offices at that time and staff of the PaPUC requires a 20 day waiting period after notice to the public advocated before they will issue a license with the new EGS/NGS name. The requests were re-filled (attached) on March 28. PECO is ready to implement the processing for the new name today, but needs to see the licenses with the new name first. Staff is willing to waive the full 20 day waiting period and issue the new licenses if they have an email in writing from your office that there is no objection to the name change.

Attached are the letter requests for the name change with the documentation attached, including the customer notice letter which was issued in February. If you could respond to this email with a non objection to the name change, it would be greatly appreciated. Thank you very much and please contact me asap if you have any questions.
